

Current Vacancies

Position:	2010 CRUSHING SEASON VACANCIES
Location:	BUNDABERG
Closing Date:	02/04/10 NEW APPLICANTS
Vacancy Reference:	N/A
Details:	<p>Suitably qualified applicants are sought to fill a number of seasonal vacancies in sugar milling, cane transport and cane rail maintenance operations at Bundaberg Sugar Ltd, Bundaberg Operations. Preference will be given to seasonal employees with satisfactory performance in previous seasons.</p> <p>Previous employees are reminded to apply on an application form available from Neato Employment Services by Friday 26th March to be considered for the 2010 season. New applicants must submit their completed application by Friday 2nd April.</p> <p>Positions available generally require shift work on a 5 day or continuous (7 day) roster with additional hours necessary as circumstances demand. Particular skills that would be favourably considered include steam plant (boilers, turbines and/ or steam engines), mobile plant (locomotives, end loader, nonslewing crane, truck, bobcat, backhoe, forklift), process (evaporators, centrifugals, pans, bagasse loft), laboratory cane analysis, locomotive traffic control, rigging, dogging, scaffolding, and general labouring. Appropriate maintenance skills would also be highly regarded. Successful applicants will be required to actively participate in and support Company safety initiatives and objectives.</p> <p>Applications are available from Neato Employment Services, 36 Quay Street, Bundaberg, Ph 07 4154 4611.</p>
